

## *Great Gatsby* Notebook – Due on MARCH 8 .

You will compile a notebook of work that will be due at the completion of our *Great Gatsby* unit. Think of this as being research findings on a major project for an employer – you are investigating this book and its many layers. This notebook will contain the items listed below; the various assignment descriptions will be given in class each day they are assigned. The work will be assigned in class throughout the unit but will not be scored until the final notebook is handed in.

The rubric and list of contents is as follows:

Chapters 1-9 Reading Guides:	10 pts each (total of 90 pts)
Character Visualization:	10 pts
Topic Tracking Activity:	10 pts each (total of 30 points)
Silhouette Assignment (Daisy, Tom, Gatsby, Myrtle):	10 pts each (total of 40 pts)
Gatsby's Party Illustration:	10 pts
American Dream Wiki Entry:	10 pts
Passage Dissection:	10 pts
Point of View Rewrite:	10 pts
Lit Crit Pamphlet:	60 pts

Your notebook will be also be scored on style and presentation. Do you have an attractive and creative cover? Are your materials polished and presentable to your instructor for formal review? Have you typed work where appropriate, and otherwise presented a tidy, readable, pleasant final product? Is it securely bound in a three-ring binder or three-prong folder? These elements will combine for an important portion of the notebook and are worth an additional 30 points.

TOTAL: 300 points for the *Gatsby* notebook
