

Plot Rollercoaster

The image features a central rollercoaster track on a white grid background. The track starts on the left, rises to a peak, and then descends to the right. The track is drawn with a thick black line and a white outline. Five white text boxes with horizontal lines are positioned around the track, each with a black arrow pointing to a specific part of the rollercoaster: the start, the peak, the descent, and the end. The entire scene is set within a grey rectangular area with a dashed border.
